#### Assistant Manager of Customer Solutions

April 2016 - December 2016 (9 months)

Wilmington, Ohio

Manages Domestic, International and Logistics support teams for Deluxe Technicolor Digital Cinema.

#### Deluxe Technicolor Digital Cinema

##### OSA Field Coordinator

March 2015 - April 2016 (1 year 2 months)

- Leads production during the shift to ensure priority tasks are completed and deadlines are met.
- Enhances procedures and trains others on a major service processes.
- A member of the training and development team.
- Builds, configures and repairs computers and servers for deployment.
- Ensures shipments are accurate for field repair.

#### Technicolor

Digital Support Tech

December 2011 - February 2015 (3 years 3 months)

Wilmington, Ohio

Responsible for digital theatrical support and troubleshooting for the U.S. wide release, U.S. Special Screenings and International segments. I worked with internationally based clients and end users, while interacting with internal groups, management and team members worldwide to provide order support as well as isolate technical issues and bring about problem resolution. Recipient of the annual Excellence award and quarterly Superstar award.

Self

Freelance PC and Tech support

December 2008 - December 2011 (3 years 1 month)

Wilmington, Oh

Resolved PC issues ranging from email problems, printing issues, SOHO wireless networks, malware removal and OS reinstallations including work for a small office. Built PCs and resolved numerous hardware problems.
